

The Florida Parental Information and Resource Center (PIRC) of FND:

Faith Based Initiative and Activities

The FL Parental Information and Resource Center (PIRC) of FND knows that parental involvement is not confined to a school campus. The FL PIRC of FND utilizes Faith Based and Community Outreach efforts and strategies to reach and engage parents who may not be reached by traditional parental involvement efforts. The FL PIRC of FND strives to reach parents beyond the school doors, so that parents who may not have the means and opportunity to be involved their children's school, can support and be actively engaged in their children's education.

The FL PIRC of FND has developed and implements several Faith Based projects and initiatives, including:

- *Six Sundays for Success*
- *Six Sundays for FCAT Success*
- *Faith Based Resource Guide*
- *Faith Based Best Practices in Parental Involvement*
- *Faith Based Connections for Academic Success*
- *Getting Parents Involved Through Faith Based Agencies*
- *Scriptures for Parental Inspiration.*
