

William H. Turner Technical Arts High School
PTSA Application Form

The William H Turner Technical Arts High School (WHTTAHS) Parent Teacher Student Association (PTSA) warmly welcomes you to the start of another school year.

Membership Benefits

One of the main goals of the WHTTAHS PTSA is to assist with the connection and communication between the school and your home.

- Meetings on topics of interest (e.g., school improvement planning, graduation requirements, college planning)
• Parent workshops on school-related and non-school related matters
• Email and Facebook updates
• Opportunities for parents to volunteer at school-sponsored events

Another fabulous benefit for students who join PTSA is that they can earn up community service hours by attending monthly meetings!

Membership Dues and Committees

Dues for PTSA membership are \$5 for students, \$10 for guardians/parents/teachers and \$20 for businesses. Cash is the only form of accepted payment.

Please cut along the dotted line and return to a PTSA office or to the Parent Resource Center in the Main office.
